Product Information

PRO WASH LIQUID

DESCRIPTION

Pro Wash Liquid is a clear, thick liquid combining a blend of powerful cleaning agents, detergents and specialty optical brighteners. Pro Wash liquid ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance.

APPLICATION

Pro Wash Liquid can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. The highly active biodegradable “naturally derived” detergents used in Pro Wash Liquid ensure that the toughest soils and grease are removed quickly and effectively. The naturally derived ingredients are also gentle on the skin. Pro Wash Liquid is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

FEATURES

- Concentrated
- Controlled foam properties
- Optimised superior optical brighteners
- Contains enzymes
- Excellent cleaning results in hot or cold water.
- Contains a specialty substantive perfume.
- Contains water softeners
- Contains soil release polymers
- Contains Anti-Bacterial Agent
- Contains no EDTA, NTA
